The Navy Department consists of the Navy Department proper, being the office of the Secretary and of five bureaus attached thereto, viz. bureau of Navy yards and Books, Bureau of Construction, Equipment, and Repair, Bureau of Provisions and Cothing, Bureau of Ordaneo and Hydrography, and the Bureau of Sedecine and Surgery.

The following is a structurent of the duties of each of these offices and of the force employed therein:

Secretary's Office. -- Hon. Issac Toucey, Secretary of the Navy; Charles W. Welsh, esq., chief clerk, and sleven shade. Secretary's Office.—Hon, Isaac Toucey, Secretary of the Navy; Charles W. Welsh, esq., child clerk, and eleven clerks. The Secretary of the Navy has charge of everything connected with the naval establishment, and the execution of all laws relating thereto is indivisible to him, under the general direction of the President of the United States, who, by the constantion, is commander-in-chief of the army and navy. All instructions to commanders of squadrons and commanders of venuels, all orders of officers, commissions of officers both in the navy and narine corps, appointments of commissioned and warrant officers, orders for the collationst and discharge of seamen, emanate from the Secretary's affect. All the duties of the different bureauss are performed under the authority of the Secretary, and their orders are considered as emanating from him. The general superintendence of the tourine corps forms, also, a part of the duties of the Secretary, and all the orders of the commandant of flat corps should be approved by

management of the Naval Asylum.

Bureau of Construction, Equipment, and Repair.—John Lenthall, esq., chief of the bureau, eight clerks, and one draughtsman. The office of the engineer in chief of the navy, Sanited Archbold, esq., is attached to this bureau, who is assisted by three assistant engineers. This bureau has charge of the building and repairs of all vessels of war, purchase of materials, and the providing of all vessels with their equipments, as sails, anchors, water-tanks, i.e. The engineer in chief superintoneds he construction of all marine steam enginee for the navy, and, with he approval of the Secretary, decides upon plans for their construction.

Bureau of President and Clothing.—H. Bridge, purser United States ary, chief of hursen, and four clerks. All prayisions for the use of so may, and clothing, together with the making of contracts for fur-labing the same, come under the charge of this bureau.

mability the same, come under the charge of this bureau.

Borreau of Ordanne and Hydrography—Capt. Dursan Ingraham, chief of bureau four clerks, and ode draughteman. This bureau has charge of all ordnance and ordnance stores, the manufacture or purchase of cannon, gous, powder, also, shells, an, and the equipment of vensels of war, with everything connected therewith. It also provides them with maps, charts, chromomoters, harmester, &c., to gother with such books as are furnished ables of war. "The United States Naval Observatory and Hydrographical Onless" at Washington, and the Naval Academy at Annapolis, are also under the general superintendence of the chief of this bureau.

permittenence of the chief of this bureait.

Biveziu of Medicine and Surpery.—Dr. William Whelan, surgeon United States mavy, chief of bureait one passed astistant surgeon United States pary, and two clerks. Everything relating to midicules and modical stores, treatment of siek and wounded, and management of beepitals, comes within the superintendence of this bureau.

Hon. J. B. Fleyd, Secretary of War; W. R. Drinkard, thief clerk, seven subordinate clerks, two measurages, and four watchmen. The colowing bureaus are attached to this department.

Commending General's Office.—This office, at the head of which is Licutenant General Scott, is at New York.

Lieutenant General Scott, in at New York.

Adjulgnt General's Office.—Col. Samuel Cooper, Adjutant General.

Amietands.—Brevet Major E. D. Townsend, Brevet Capt. S. Williams, and Brevet Capt. S. F. Garesche. Judge Advocate, Brevet Major John S. Lee, nine clerks and one messenger. In this office are kept all the records which refer to the personnel of the army, the rolls, Ac. It is here where all military commissions are made out.

Quartermaster general's Office.—Brevet Major General T. S. Jesup, quartermaster general. Assistants—Colonel C. Thomas, Captain M. S. Miller, and Brevet Major J. Belger; elvon clerks and one messenger.
